Assignment -2

Role Analysis
&
Realignment

Objective

- To help students reflect on their different life roles, analyse how they currently allocate time and energy, and realign priorities to achieve long-term success.

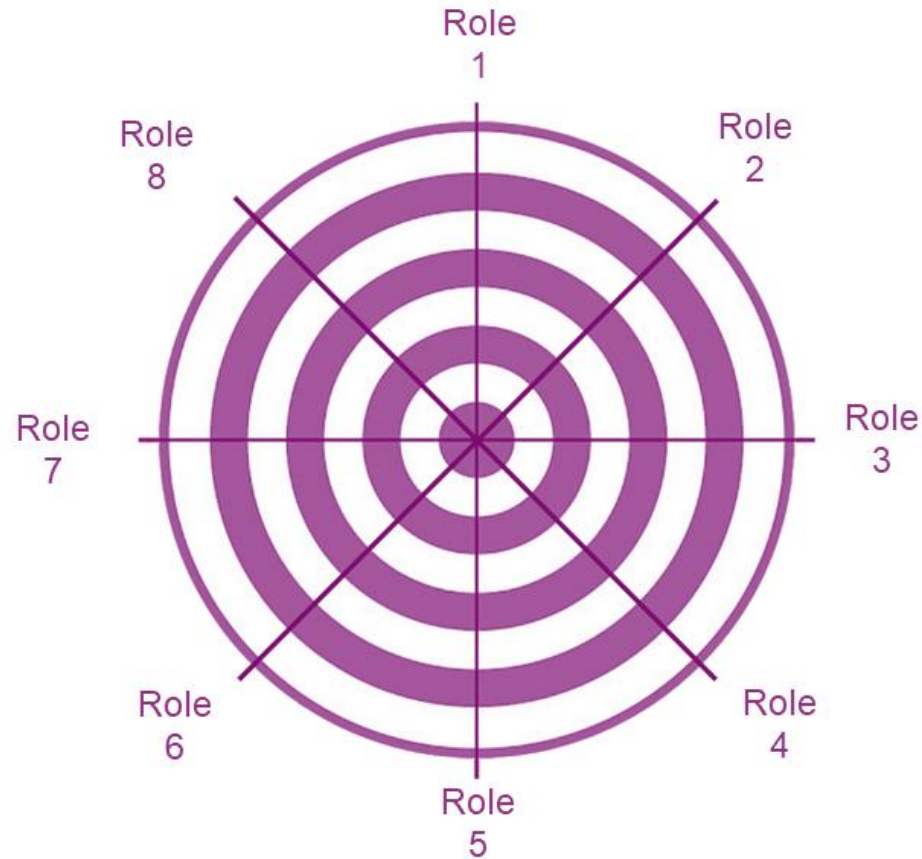

Instructions

- 1. Role Identification** - List down all the roles you currently play in life (e.g., student, son/daughter, sibling, friend, volunteer, team member, employee/intern, club member, etc.).
- 2. Role Description** - Write a short description of each role (what it involves, what responsibilities it carries, what expectations are linked to it).
- 3. Role Prioritization** - List the life roles you play currently and Identify the % of time you spend in each role after which you rank them based on the time you spend in each role.

Role Realignment

- **Gap Analysis** – Keeping in mind your goals, identify where you are overinvesting time in less meaningful roles and underinvesting in important roles. Compare the two rankings.
- **Role Realignment Plan** - Examine your different life role and reprioritize the roles by giving more time to the roles that align to your goals and respond to the questions below.
